

## REFERRAL REWARDS

As a thank you for promoting our center to other families, we want to offer our current parents a **Referral Rewards Package** or a **Child Care Credit** for the referring family.

This will be awarded to you after the family you referred has been enrolled for 60 days.

If the enrolling family is a **full time** family (4 full days or more), you are eligible to receive a gift package worth \$500.00 or receive two weeks of child care credit to your account.

**YOU CHOOSE!**

If the enrolling family is a **part time family** (3 full days or less), you are eligible to receive a gift package worth \$250.00 or receive one week worth of child care credit to your account.

Again, **YOU CHOOSE!**

Just make sure that the family you are referring shares that **you** were the ones who referred them so we can give you the credit you deserve!
